Dick,

Attached are the WØMG meeting minutes for September 14, 2013. They are in the Word format so that changes can be made.

The minutes have a lot of content that may be good to distribute to the membership soon. ie: upcoming programs, repeater status, Jamboree on the Air.

In addition, please add Paul Manning, a new member preparing for the technicians exam, to the membership and mailing list. Paul's email address is: paulynn97@yahoo.com.

Happy weekend!

Scott
