Date: Monday, January 27, 2014 3:34 PM

CQ CQ CQ DE WØMG WØMG WØMG K

I didn't make the beginning of the last club meeting, January 11, 2014, so Scott Lowe (WAØTPN) graciously agreed to fill in for me as Secretary. I am attaching a copy of the minutes he recorded. Thanks, Scott!

Also, in the last week, the committee that was formed to plan a WØMG Swap Meet met and fulfilled their planning mission. A site and date were chosen, reservations made, and a flyer has been designed. The committee is made up of Mark Colby (N8TWO), Stan Johnson (WØSJ), and myself. A .pdf of the flyer is attached, also, which should explain all of the details. It is planned to be an event similar to the Cedar Rapids "Junk-in-the-Trunk" swap meet. *you do not need to be a member of WØMG to participate in the meet!* Questions should be directed to swapmeet2014@w0mg.net. Please share this with your friends.

Remember that VE testing will be done prior to the next meeting on February 8th. Details are in the minutes.

I hope to see you all there.... bring a friend!

Dick Nelson, WØMG Secretary
