This looks amazing! That's a smaller size of your design. Do take time to minutely check the layout, font size, picture and product.

VERY GOOD, that's exactly what I've been trying to get. I had intended to show these flags to our club at our next meeting on Saturday Sept 12, though I don't know if that's possible at this point. (none of the ~6 calls/chats I made said I needed to put the JUST DO IT in a comment below the proof, they all said they'd take care of it, but it never happened) Please proceed immediately with production and shipping.
