Let's create some mailboxes

Try creating at least one mailbox to get familiar with the process.

Add Rackspace Email Mailboxes

Next

Domain Name ▲	Products	Mailboxes	Base Storage	Transfer
☒ ... vftp.net	Rackspace Email	2	25 GB	Start

Delete

Delete Domain and Services?

[Export List \(.csv\)](#)

vftp.net will be permanently deleted and cannot be recovered.

☒ I acknowledge this will permanently delete **2** mailboxes

I acknowledge that I will delete Microsoft Office and One Drive licenses (if purchased) corresponding to mailboxes
☒ under the selected domain(s) from the Office 365 Control Panel. Failing to do so will continue charging me for the Microsoft Office and One Drive licenses.
